Dear Ms. Morrison:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule D discloses \$50,000.00 in debts owed to District 1199C, NUHHCE, Pol. Action Fund. You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. Please clarify whether the debts owed to the non-federal account relate to activity conducted in connection with federal elections and if so, provide the date(s) when the original activity was conducted by the non-federal account. Any payments on debts related to the election or defeat of federal candidates should be allocated accordingly and disclosed as either in-kind contributions on Schedule B supporting Line 23, or as Independent Expenditure on Schedule E supporting Line 24. 11 CFR §§104.3(b)(3) and 106.1

Although the Commission may initiate legal action regarding the activities conducted by your non-federal account, prompt repayment of the debt and any clarifying information that you provide will be taken into consideration.

-Schedule D discloses the outstanding balance at the close of the period for the debt owed to District 1199C, NUHHCE, Pol. Action Fund to be

\$50,000. FEC calculations disclose this amount to be \$100,000.00. Please amend your report to clarify this discrepancy.

-For future filings, please note that your committee need only file the pages on which you have itemized activity. Schedules with no activity may be omitted.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1394.
